2026 Preservation Awards

Each year the Kansas Post Rock Limestone Coalition presents the Post Rock Limestone Preservation Award to recognize outstanding achievement in preservation or restoration of a Post Rock structure in the 18 county Post Rock Limestone region of central Kansas.

The 2025 preservation award was presented to St. Joseph Church of Liebenthal for ongoing restoration and preservation of their Fencepost limestone church, rectory, and school.

The Coalition will select a winner based on criteria such as:

- Quality of execution and materials
- Historic significance of the project
- Contribution to the public's understanding and awareness of Post Rock Limestone historic culture and architecture in Kansas
- Impact on a community or region's character, public realm, and revitalization

The award is presented to the owner of the property but all restoration partners will be recognized. Winners receive publicity, a plaque and a one-year membership to the Coalition. The award will be presented at a local event in the winner's region if feasible.

Nominations are OPEN THROUGH MAY 1, 2026.

Materials and questions should be directed to:

Brad Penka, Coalition Chairperson
